

A sparkling new bathroom adds value to your home, and having a calm place to relax in at the end of a stressful day is worth the effort involved in the transformation. The prospect of alterations can be daunting, with so many decisions to make such as choosing a design and fittings to suit your budget. As one of South Africa's premier stockists of quality imported and locally produced tiles and modern bathroom accessories, CTM provides solutions to all these aspects of home improvement. At CTM showrooms countrywide you'll find everything to suit your taste and budget – from bathroom cabinets to taps and tiles – all combining style and functionality at an affordable price.
