When you are building or renovating your home, choose quality Italian fittings that will be sought-after features when you decide to sell your property. In a kitchen or bathroom – spaces that can greatly influence the value of your home – taps are a noticeable feature.

Tivoli Taps offers quality products at affordable prices that are guaranteed for 10 years. The Lexus, Modus (available exclusively from CTM), Proteus and Quattro designs come in finishes that range from chrome to brushed nickel. And, with various water-flow options and styles ranging from conventional pillar taps and mixers to single-lever options, there is a style to suit all tastes.

Create different looks in your bathroom, from a Zen sense of calm and peace to a more modern atmosphere with products from the Tivoli Taps range. Whatever your style and budget, you'll find just what you need in this versatile range.
